v.

Zacarias Maussacui

or Abu Kaled Sabraoui

Crim No 01-455-A

ALLAH v AKBAR, the Slave of ALLAH Zacarias
Maussacui, by self representation and for reasons
set for in the memorandum accompanying this motion
with ~~Maussacui~~, move against this US court so it
recognize officially that the Slave of ALLAH
Zacarias Maussacui has enter a Bra Se defense.
and that he will never take part in blasphemous
psychiatric so called evaluation.

The Slave of ALLAH, Zacarias Maussacui move
for the removal of US District Judge Bunker
for reasons partly explainⁱⁿ the memorandum and
other reason explain in Open Court (to be convene)
therefore expedited ~~hearing~~ hearing schedule
are needed. Finally I ~~in~~ Zacarias Maussacui
denunce in the most vehement manner the ~~continue~~
continuing presence of Dunham, the Jewish lawyer
Zerkin and Mc Mahon and as "my" lawyer ⁽¹¹³⁾
and will not be bound by any of their decision in the future.

Background and Requirement.

Despite having indicated in the court appearance on 22nd April 2002, that I, Zacarias Moussawi will not take part in an obscene Jewish "science" base evaluation, U.S. District Judge Leonie Brinkema insisted to have a non normal competency evaluation.

This is in contradiction to her own past practice such as in the Will case, where the defendant was allowed to proceed pro se during the trial (almost on the spot) without any "psychiatric" evaluation (to the best of my knowledge).

More importantly this contradicts the established guideline.

"The competency required is that which is necessary to execute a waiver of counsel not that which is necessary to be able to successfully handle the defense of the case."

See *Faretta v California* 422 US 806-83: (1975)

"The defendant must be competent to choose self representation - so that the record will establish that "he knows what he is doing

and his choice is made with eyes open" and "that his technical legal knowledge as such is not relevant to an assessment of his knowing exercise of the right to defend himself".
(citation omitted)

US District Judge Leonie Brinkema has demonstrated her inability to handle this case impartially; the following event underpinned this assessment.

- clear statement to have this trial over quickly
- unwillingness to challenge the government when she requested them to have an Open door policy and they politely say "no": ("just the case")
- using abusive language toward me
"unorthodox and unpredictable"
- close and direct personal relation with Defender Durham (he use to be her Boss, as he put it etc

These few examples, make me require the removal of US District Judge Leonie Brinkema especially taking account that she has allowed Frank Durham to "choose" and "brief" the so called "expert". It is unbelievable taking account that he has a financial (wages/retirement) contract, fame, vanity and vested interest to remove me

The US constitution recognize that trust and confidence is an essential and integrd part of effective assistance of counsel,

" that a critical component of the Sixth Amendment's guarantee of effective assistance is the ability for counsel to maintain unimpeded communication with his client and build a relationship characterized by trust and confidence "

Morrison v Slappy.

The Sixth Amendment recognize that a

" As a practical matter, if the client knows that damaging information could more readily be obtained from the attorney following disclosure than from himself in the absence of disclosure, the client would be reluctant to confide in his lawyer and it would be difficult to obtain fully informed legal advice "

And because

" It has long been recognized that the right to counsel is the right to the effective assistance of counsel ~~in this~~. (*Mc Mann v Richardson*). The fact that I do not trust them (unlike the government) prevent me to receive legal ^{advice} and

US District District Judge Leonie Brumbach is pretending that the situation is solvable between me and these people.

Let me be clear that I find them so repulsive
 as unbeliever that I never even shake their hand.
 The Deenham has personally insulted me
 on 3 different occasions and has made
 obscene comment about a young Muslim
 sister working in his office, in front of me.
 He has express great joy at the ~~destruction~~
 "destruction of Taleban" we get 'em out
 of them".

Since January 30, Mc Mahon and Jeeves
 Zerkin hardly visit me (to my great
 delight.)

I find desecrating to even ~~to~~ look or speak
~~at~~ them. Their ignorance only equate their arrogance.

The last word belong to ALLAH.

"So when they exceeded the limit of what
 they were prohibited, We said to them:

"Be you Monkey, despised and rejected"
 Quran, Surah 7, Ayat 166.
