US }  
v } 01-455-A  
MOUSSAOU Zacarias }

Emergency Motion for Immediate release from  
detention and the dropping of all charges  
against ~~me~~ Zacarias Moussaoou.

ALLAH v AKBAR, Immediate hearing  
are needed to expose the covert  
conspiracy of the Federal Bureau of  
Investigation to prosecute me.  
Concrete and direct proof are  
currently in possession of the FBI,  
the so called appointed lawyer and  
this court that the FBI was engage  
in Under Cover Surveillance operation  
against me. These proofs are in the  
to my belongings that was confiscated  
at the time of my arrest by the FBI  
on the 17 August 2002. Because the the  
telephone conversation recorded by  
the FBI between ALATTAS and an  
I man should also be suppressed. (in Shenandoah  
County Jail). INS order of Deportation  
dated the 18 August 2002 should be suppressed.

## Legal Argument

18 U.S.C. § 3142 state.

The Judicial officer may, be subsequent order, permit the temporary release of the person, in the custody of U.S. marshal or another appropriate person to the extent that the judicial officer determine such release to be necessary for preparation of the person's defense or for another compelling reason.  
(emphasis added)

As I learned today (13 June 2002) that the Congress is holding hearing on FBI knowledge of the September 11 attack, it is logical and in the interest of Justice that this court should hear the compelling reason ~~reasons~~ why I should be ~~all~~ release and the FBI charge be dismiss.

All my evidence are non classified and currently in my possession (copy) so no security reason ~~reasons~~ should be invoked to deny the knowledge of what the FBI knew and is conspiring.

Therefore I asked my immediate release of jail.
