

In The Name of ALLAH

In the US District Court for the Eastern District of Virginia Alexandria Division

Zacarias Maccusari > 20 June 2002  
V >   
US >   
Crin No 01-455-A

ALLAH VAKBAR, the Slave of ALLAH  
Zacarias Maccusari object to the order  
of DJ Leslie Brinkman that the US  
will take the deposition of REDACTED  
on Monday 24, 2002 at the law library  
of the Alexandria Detention Center.

The objection is based on the following

= discovery material related to REDACTED  
have been given to me on the 20<sup>th</sup> June 2002  
therefore only one working <sup>day</sup> has been  
allowed for consultation with my only  
recognize legal adviser Bro Freeman

- the deposition must not take place before  
the DJ Brinkman stop trying to force  
use government standing appointed  
lawyer on my & self defense Because:  
These government agent must be removed  
from my case as they undermine and  
actively try to convict me by their actions

- the deposition must not take place because it will allow government appointed standby lawyer to appear in court for this deposition is equivalent to a court appearance along side me, therefore misleading the public and the jurors. And it will give them ground in the future to take appearance in court during the trial despite my objection.

- the deposition must not take place because the court has indicated that SAM shall remain in effect throughout the deposition, and therefore potentially waiving my only legal adviser, Bruce Freeman, to assist otherwise during my own examination of the government witness.

- deposition must take place at a much later date to allow preparation especially taking account the government is superseding the indictment on 29 June 2007 and therefore questioning must be in line with the new indictment.

Slave of ALLAH.
