In the US District Court for the Eastern District of Virginia - Alexandria Division

US v. Zacarias Moussawi Criminal No 01-455A Filed 20 June 02

On June 18, Judge Leslie Benbena issued an order in which she alleged that I requested that " " to suppress an INS order of Deportation and record telephone conversation between AL ATTAS and an Imam which occurred at the Shenandoah County Jail.

The allegation is completely false and the Motion I filed is there to prove it. I requested that these materials be "seized", produce as evidence in court (suppress was 2p and a quiet different to suppress). I do not believe in an uncalculated mistake, as my experience of this Judge shows me that she has done every effort to prevent me to defend myself. In this case it will give the impression that I do not know what I am doing. These proofs named in this motion are essential for my defense and I will fight any attempt to suppress them.

Slave of ALLAH, Zacarias Moussawi
