Emergency Motion for Immediately release from detention and the dropping of all charges

ALLAH v ARBAB, The Curse of ALLAH is and be on the Unbeliever.

The FBI is maliciously prosecuting the Slave of ALLAH, Zaccarias Moussourani despite their extensive knowledge of what he was doing in the US and that he was not link with the so called 19 Hijacker.

Tracking and listening device will be found in my belonging when the US allow independent examination.

A missing baggage at Chicago to Oklahoma fly gave them the opportunity to plant device,

2 electric fans (ventilators) mysteriously left on my car (like a gift).

These belong should be immediately investigate

the government in its response to defendants' emergency's petition for immediate release is unable, unwilling to clearly and unequivocally deny that an Under Cover operation was being carry out against me and the 19 hijackers.

instead the government rely on

" indeed the government is unaware of any such surveillance between the defendant's arrival in the US on or about February 23, 2001 and his arrest on August 16, 2001."

The Federal Bureau of Investigation must provide an unequivocal certification that since of ALLAH Zacarias Moazzami was not under ~~any~~ any kind of surveillance in the US and abroad by the FBI in the last 5 years and when he enter the US that he was not electronically track, listen ~~it~~ and follow surveillance by the FBI until its arrest on august the 16.

The National Center of Communication must certify that it has not recording of Zacarias Moazzami or Shaqil or Gah Alaa Kalid al Salwani.

The CIA should certify that it did not ^{have} pass out information on Zacarias Moazzami to the FBI before ~~my arrest~~ sept 11 ~~and my arrest~~

the government, FBI and any other government agencies must certified that no order or instruction was given to prevent my arrest before August 16. Because in the begin of August in committed 3 road infractions and the car plate were not at my name and the Oklahoma Patrol ~~it~~ did not give me a ticket after they arrested ^{me} informant of Norman Marke. ~~AKA Altkenka~~ Ali Mubaram and Hussein A C A T T A S accomplices of the incident along other members of Norman Marke. In fact according to ~~my~~ Alexandria Sheriff Deputy they should have taken the plate and impeded the car.

This surveillance operation prove that they chose to arrest me and not the other student at PAN AM, the presume my father Hanyawi because they knew that I was not in contact with ~~the~~ group but to arrest Hanyawi will have alerted the rest of the team.
