Zaccarias Maccasani?

vs

US

Crim No 01-955A

Notion to publicly and formally waive my
right to counsel and standby counsel
in the new prosecution that started on the
25 June 2002 against me.

ALLAH V A & BAR, Deception and lying
being the main tool of DJ Leanne Brenkema.
it is extremely necessary that formal hearing
must be convened so I can publicly and
unequivocally waive my right to
counsel and therefore standby counsel.
(which by the way is not a right under
the US constitution). The DJ ~~Leanne~~ Leanne
Brenkema was refused at the 25 June 2002
hearing to respond to this oral motion
made in court. This Leanne Brenkema DJ
is manipulating her court and she seeks
to deny my right to defend myself
and she is undermine my dignity and
credibility by constantly threatening me
to remove me and ~~appoint~~ install her
appointee stand by lawyer.

I, asked and demand the right to testify on
the how the standing lawyers have, and and
will participate in conviction, in the govern-
ment conspiracy to Murder Zaccarias Mousaoui
There is no doubt that Leonie Brumbeina DJ
is using her court to achieve this very same
goal.

"May I be heard." Zaccarias Mousaoui
