

In the Name of ALLAH.

In the US District Court for the Eastern District
of Virginia Alexandria Division

Zacarias Maccasari

V
VS

Case no 01-955A

Motion to have an independent forensic
examination (investigation) of my belongings
for presence of electronic surveillance
device such as tracking ~~be~~ and listening ~~bug~~

ALLAH c AKBAR, Leonie Breinkema
must let an independent examination
of my belongings for electronic surveillance
device so it will be proven that the
FBI is lying and falsely prosecuting
me when they know my movement and
relation and communication in and
out the US since a long time before
Sept 11 and before my address on
August 16 2001

The Cause of ALLAH be on you Leonie
Breinkema DJ who is preventing my
release by gagging me in court to
give a testimony of and by not ask
a certification by the FBI on their
surveillance on me before my arrest

Leanne Brownbena is proceeding ahead in
this trial despite overwhelming reason
to ask the FBI about the validity of
the prosecution. Because she knows that
I will most probably be convicted in
front of a jury due to the my belief and
she knows that no court of appeal or
supreme court will overturn a judgment
on the so called 20th Meyachere.

This is a premeditated murder by "legal" means.

To ALLAH we belong To ALLAH we return.

Slave of ALLAH
