

In The Name of ALLAH.

In the U.S. District Court for the Eastern District of Virginia
Alexandria Division

Zacarias Mousaoui.

v
U.S.

Crim No 01-455A

Motion to confirm my No Plea entry
in the case that begin 25 June 2002
No Plea being and meaning No contest
, Nolo Contendere. plea.

ALLAH v AKBAR. Cecile Brunkema
is trying to dictate and manipulate
my defense by imposing her stonewall
lawyer, by refusing to accept my
No contest plea.

She undermine my credibility by
deceiving people when she pretend to
do this for my best interest. She
have no right to interfere, to refuse
my plea I choose to enter.

In January, the transcript will show
I enter a No plea but she wickedly
asked her stonewall lawyer to take
that a not guilty. The plea enter is
solely and exclusively a matter (236)

for the defendant whether or not represent
my counsel or standby.

This issue is of a crucial importance for the
entire trial and nobody should take
the ~~unwise~~ simplistic position that to
enter a non guilty is the best to defend
my life. In fact quite the opposite
I cannot for obvious reason explain here
the ~~same~~ well established reason why only
a nolo contendere, No Contest, No plea
will save my life at trial ALLAH willing.

It is another example on how Leonie Brinkman
is deceiving everybody by pretending to
want to help me while she is betraying my
defense.

If she wanted to help I'd be asking the
government to take the stand and testify
under my cross examination that they
did not carry an undercover ~~or~~ ~~secret~~
operation against me that will be enough
for me. I do not take help from useless unbelians
I, Zacarias Mousdouris freely and
consciously enter a No plea, Nolo
contendere, No contest plea.

(do you want it in French DJ Brinkman
so you understand it or maybe in Arabic
