

In the Name of ALLAH.

In the Eastern U.S. District Court for the  
Eastern District of Virginia

Zacarias Maccusaoui

v

U.S.

Crim No 01-455A

Motion to Compel the FBI to certify  
that no under cover surveillance  
activity, operation were conducted  
by its agent ~~or any other person~~  
toward me before my arrest ~~and~~

Immediate hearing must be convened  
ALLAH v A & B.A.R. In it response to my  
emergency motion for immediate release  
the government stated:

" Indeed the Government is unaware of  
any such surveillance between the defendant  
is arrival in the United States on or about  
February 23, 2000 and his arrest on  
August 16, 2001."

This is no more than a Clinton truth,  
namely a complet lie that is twisted  
by malicious ~~or other~~ wording to  
become a technical ~~the~~ truth.

The FBI must clearly and unequivocally

certify that no electronic surveillance activity was conducted toward me to monitor my movement, communication activity before, on and about my arrest on August 16 and also until.

They must certify that they did not receive information from the British authority regarding my link and activity to so called terrorists before my arrest.

I know that they will find a way to lie that why ~~the~~ Leonie Beinhemo prevent me to make the FBI testify so I cannot cross examine and expose their cover up. The Leonie Beinhemo was already declare that this crucial FBI surveillance wire should be made by Station in reading so I will never be able to expose their cover up.

May the Curse of ALLAH be on you  
Beinhemo DJ.

Slave of ALLAH
