

In the Name of ALLAH

In the US District for the Eastern
Alexandria Division.

Zaccarias Mousaoui V US - No 01955A.

Motion to appear in front of the Grand Jury
convene on September 11 attach to testify

ALLAH V AKBAR: I, slave of ALLAH
Zaccarias Mousaoui, must be allow to
testify under oath under penalty of
perjury in front of the Grand Jury
convene on the September 11.

I, have extensive and relevant information
on ~~the operation~~ have did this operation
happen.

The Prosecution has denied me the right
to appear in front of a Grand Jury
in New York and is falsely
claiming that I refused.

I challenge the US government
to produce any covert transcript any
document where I refuse to appear
in front of the Grand Jury.

In fact the days before I was due to
appear in court in New York
to give my response on whether or
not I will testify, the US government
indicted me.

this is another example of their manipulation of the US legal system to Coerce me and prevent me to expose the cover up of the FBI.

As it has been said by the government that the threat of Sheik Usama Bin Laden (May ALLAH protect him) and Al Qaeda and Associates is on going I must be allow to testify about my knowledge of the activity of these "Terrorist" and on the September 11 attack.

As I was forbidden to have access to any kind of ~~security~~ national security information (in fact & almost to any kind of information) No security reason can be falsely claim by this Court.

I will stipulate to chain, handcuff, leg cuff, stem belt, 20 or 30 marshalls as long as I can say what I know about Sept 11 attack.

Immediate hearing and response must be given by Leonie Brinkema NJ.

Slave of ALLAH.
