

In The Name of ALLAH

In the US District Court of the Eastern District  
of Virginia - Alexandria

Zaccarias Moursaeii V U.S.

Motion to compel the government to withdraw  
the charge against me because the FBI  
were conducting an undercover surveillance  
operation. Testimony of the FBI agent  
Coleen Rowley, a lawyer in the Bureau  
of Minneapolis and her expert knowledge  
on FBI investigation will establish  
the FBI cover up. Hearing must be  
convene to hear Coleen Rowley.

ALLAH AKBAR. The U.S. government  
must withdraw all charges against  
because it knows that I was under  
FBI surveillance and what was  
my activity in U.S. and abroad.

FBI agent Coleen Rowley is a first class  
witness and expert on how Senior  
FBI official were and are trying  
to prevent a deep investigation of my  
background before Sept 11 (and now)  
in order to avoid to have to charge  
me and go to court (and be given  
a lawyer) and therefore potentially

assuming the risk to have a leaks that will  
have made headline before Sept 11 and about  
the 19 hijacker on the fact the FBI had  
arrested ~~an~~ Murli Manohar at Penn ~~State~~  
the same school ~~where~~ where Hanjoo  
he believe hijacker train a few weeks  
before.

I can see that Colin Rowley do not  
know the full extent of the information  
that were in the hand of FBI when, on  
and about my arrest the 16 August 2000.  
The government ~~has~~ and Leonie Breukema  
have placed all document under seal  
to prevent even their own agent to understand  
the corruption and ~~suppression~~ cynical  
play of senior FBI agent..

Leonie Breukema NJ will most probably  
try to pretend that Colin Rowley is not  
relevant for the investigation on Sept 11.  
~~Has~~ Colin Rowley testimony under  
my examination will call the American  
to know how their own government  
cynically allow Sept 11 in order to  
destroy Afghanistan.

Slave of ALLAH.
