

In the Name of ALLAH.

In the US District Court for the Eastern  
Alexandria Division.

Zacarias Moussawi V US NO 01-499A  
Muslim godless government.

Motion: Nobody can prepare Sept 11 in  
14 working days.

ALLAH v ATBAR. On June 13 I finally  
Took charge of my life defense. But  
Leonie Brinkman DJ wants to get me  
over quickly by giving me <sup>around</sup> 14 working  
day to prepare the case motion.  
Even the best lawyer in the world  
cannot ~~do that~~ <sup>around</sup> prepare Sep 11 in 14 days.  
I have not even receive the evidence  
against me completely. I cannot have  
access to the outside world. They refuse  
to give me a printer so I am suppose to  
hand copy document from the PC.  
(100s of CDs). I cannot phone witness  
or lawyer in Europe.

IF the US had such a strong case  
against me do you think they will  
use this miserable tactic?

DJ Leonie Brinkman knows that it is a FBI cover up and the case is hot air.

that way they want me to go to trial without legal assistance of Bro Freeman without proper time to prepare without access to evidence in my favor without talking to the Press without contacting lawyer in Europe.

Even until now the so call financial connection has not been shown to me.

this is Goebel tactic: Whatever he lie if you repeat loud enough, People will believe.

DJ Leonie Brinkman must give me 60 day to prepare and file motion.

I stipulate that the trial date must not be change under any circumstance.

I am not afraid of America

I do not need to cheat to win.

ALLAH is with the Muslim.

Stance of ALLAH.
