

In the Name of ALLAH.

In the US States District Court for the Eastern District of Virginia. Alexandria Division

Zacarias Murraceie V US No 01-855A.  
Muslim (godless government.)

Motion to have "I heard you were going on Jihad" conversation ~~be~~ recorded on the 18 of August by Sherburne County Jail and ~~trans~~ the FBI Declassified as secret and given to me

ALLAH v AKBAR, The FBI is using secret classification in order to cover up Sept 11. On June the 1 2002 they discreetly classified a ~~damaging~~ conversation between AL ATTAS and the Imam of Norma Mosque in which the Imam says that he was worried for AL ATTAS and that: "I heard you were going on Jihad" knowing that AL ATTAS was traveling with me.

This conversation recorded by Sherburne County Jail and translated by the FBI was made on the 18 August 2001 and is another clear evidence that the FBI had enough evidence and reason for concern to go and try to get a Warrant from a Judge. Instead senior FBI (252)

presented their field Agent and courier such as ~~Colleen~~ Rowley to investigate the case in order to cover up the Secret surveillance operation that was taking place ~~by~~ on me and the 19 hijackers.

Senior FBI were ~~obliged~~ by the repeated complaint of PANAM school staff to arrest me and but they could not arrest Hanjour who was also separated by PANAM because they knew that he was part of the 19 hijacker.

But the FBI could arrest Zacarias Moussawi because ~~the~~ <sup>the</sup> FBI knew by their Secret surveillance that he was not with the 19 hijack.

This 18 august 2001 conversation must be declassified and handed to me in paper format. How can he be Secret when AL ATTAS was not be charge of any crime and the Imam as well. Secret classification is used and will be used by the FBI to cover their Secret surveillance on me and the 19 hijackers.

The ~~accuse~~ so call counsel, now stand by never inform me even of the existence of this Secret conversation. Any body can understand why the Judge, the prosecution and government <sup>emptory</sup> to force me to have a stand by lawyer. So exculpatory evidence, evidence of cover up will never reach me.

Slave of ALLAH
