electronic surveillance device.

AL ATTAS Suburban YPM 636 must be tested for surveillance device and tracking device.

I must be allow to inspect all evidence taken at 709 Wadsworth Vermont to determine if the FBI has maliciously classified certain property as belong to AL ATTAS and/or Mukharani because they contain surveillance device and this is especially true for an electric fan (ventilator) that belong to me and I believe contain electronic FBI device as it was "mysteriously" left on my car (like a present).

Stance of AL ATTAS.
