

In the Name of ALLAH.

In the US District Court for the Eastern District of Virginia Alexandria Division

Zacarias Moussooussi - v US No. 01955A
Muslim Godless government.

(ex) Motion to force the so call counsel and
standby government lawyer to handover
defense production and material
production ^{before} installation as pro se on
June 13

ALCATTUAKPAA, Despite ~~being~~ ^{being} install
as pro se (self defense) this court has fail
to order McMahon and Federal Public
defender to handover defense production
and material. This is a concerted effort
to deny me knowledge of favorable evidence
that will oblige the government to withdraw
the entire case. The: "I heard you were
going on Jehad (Holy War)" conversation
(dated 09/18/00) between ALCATTAS and the Imam of Norma
Mosque, classified on June 1 2002 as
Secret is a good example on how
evidence are hidden by the standby
lawyer, government with the tacite
(ALCATT know Best) understanding of
Leonie Beinkema DJ.

(dated 09/18/00)

All Defense Material and production ~~also~~ produce
Before June 13 2002 must be handed over
to the court clerk for "independent" inventory
and then send my this court to me.

This court knows for a long time (22 April 02
that I do not take any ~~mail~~ mail or contact
from here Stanley lawyer. This is
necessary to prevent any false claim
of relation between these death squad
under cover government appointee.

As per Se I am entitled to these production
and material.

Under the rule Stanley are only here.
for protocol and procedure not for.

"Strategy" (as L Brennan wrote in her order
Best in this case there is no rule or law.
except "lets get the matter over quickly"
"lets get Zacarias Moussawi over
quickly"

Slave of ALL H.H.
