

In the Name of ALLAH.

In the US District Court for the Eastern District of Virginia Alexandria Division

Zacarias Maccasseei V US  
Muslim godless government.

Motion: Bro Freeman must be allow  
to see me to provide out of court  
legal assistance and investigate the  
case in Europe for me.

ALLAH v A+BARR. Without any contact with the outside world nobody can defend himself. Since my arrest and indictment the government is stop anybody of my choice to help me. They try to deceive me and force me with to accept their appointed lawyer.

Bro Freeman is the only person that helps me to defend my life, that is why the government is has stop his visit to Alexandria Jail.

After I explained the case to him he be understood it in the same way.

Bro Freeman will contact lawyer in Europe such as the Muslim Pakistan British lawyer in Britain to start

Case suit against the British government to force  
them to disclose their cooperation with the  
FBI on my surveillance before Sept 11.  
The same for the German government regarding  
the Hamburg Cell.

Many lines of investigation exist in Europe to  
prove that it is an FBI cover up.

For more than 6 months government lawyers  
appointed by Leonie Brinkema have been  
"sitting" on the proof of an FBI cover up.  
They did not even send one investigator to  
Britain (before I try a heck them out).  
to investigate my passport "terrorist" address.

Pro Freedom must be given a chance to help  
me to defend my self against this US  
conspiracy to Murder Zacarias Mousawi

Even Moses asked the help of his brother Horus  
when he confronted Pharaoh the tyrant.
