

In the Name of ACCA

In the US District court for the Eastern District  
of Virginia Alexandria Division.

Zacarias Moussawi V US No 01-998 A  
Muslim Godless government.

Motion to SPEAK TO THE PRESS.

ALLAH VAKBAR. For the last 10 months  
I am cut off of the outside world.  
The US government has orchestrated  
the greatest propaganda machine  
in the world to convince their citizen  
and the world that I am the 70th  
thatcher.

If they have such a strong case why  
I am stop in court to say my  
story about FBI cover up

Why No Journalist is allow to  
visit me to hear my story

Why did they gag me and  
stop Bro Freeman to visit me.

I have declare publicly my  
complete and total hostility to  
the US and no nuclear bomb

(265)

has been launched against the US for almost 2 months.

Public security is being used to hide, to cover up that the FBI knew about September 11.

The Media, the Press is following (if I believe necessary) of Alexandria Jail Deputy, the line of the government, Zaccarias Maccasani is the 20<sup>th</sup> pilot because of the money connection.  
Bring your proof ladies.

Nobody want to hear my FBI cover up reality. Too Much at stake

America you are bankrupt.  
Long have passed the time of Deep throat now it is deep neutse with the fight against terrorism at the end of the financial year.

Any Journalist who want good reality should come to Alexandria Jail.  
(of course pending financial arrangement with my out of court legal assistant Broe Freeman to finance my defense life).

Leornie Breunkema cannot denied the 1<sup>st</sup> US amendment (she probably will)
