Virginia Alexandria Division

Zacarias Moussawi v US No 01 0955 A
Muslim godless government

Motion to compel the INS to certify that
it did not receive instruction, recommendation,
plea, representation, demand from
any other government agencies to
issue the order of deportation ~~dated~~

ALLAH v AKBAR. After my arrest
the INS immediately issue an order
of deportation. This is in complete
contradiction with the well known
practice of the INS to give time to the
FBI to investigate before issuing an
order of deportation.

This Order of deportation was issued
the 17 August (or 18) 2001 enable
the government to hold me without the
FBI having to charge me.

Being on a waiver entry program
I had no right to appear in front of
a judge therefore ~~no~~ lawyer
wanted to take the case. I contacted
Munawara Advocate for human

sight but they declined indicating that the order of deportation was final.

In fact the INS was ask to handle the case. To avoid Field FBI agent to interview me and to be able to fund due course of concern.

The Top Gun FBI agent did everything we could to try to scare me, to prevent me to talk and to ask for a lawyer. They did not want me to say something that could have justify to get a warrant from a Judge.

The INS and FBI agent who conducted the interview are hereby convene by compulsory process to testify on what was their brief by their Senior when they interview Zacarias Moussawi.

The INS (or Special Agent) who sign my deportation is also convene by compulsory process to testify on the reasons and instruction he had and receive to sign an order of deportation 1 day after my arrest.
