ALLAH v AKA B.A. Despite being name the Rocket Docket I still want for more around 2 months for a straight forward breach of these process of law.

I want to indicate for the record that I make appeal for every single decision made by DJ Leonie Benkema and the Judge before her in Alexandria.

Leonie Benkema DJ is engage in a race against time to prevent me

exposing the FBI cover up on Sept 11.

I have been denied any kind of fairness in the entire process.

I make appeal on the decision of NJ ~~to~~ Beunkema to refuse to hear me, to testify or have her counsel and standby lawyer, are conspiring and hiding the proof of an FBI.

- This Court of Appeal must intervene to stop Leonie Beunkema to legally kill me by denying me a Fair trial and pre trial.
