District of Virginia

Zacarias Moussaoui V United States No 01455A.

Motion for Immediate Release ~~directed~~ of  
Moussaoui Zacarias due to overwhelming  
proof of an FBI cover up.

Hearing must be held to hear testimony of  
Hussein AL ATTAS along side Coleen Rowley

ALLAH v ARBAR. On August the 18 2001  
Hussein AL ATTAS (who was arrested with  
me on the 16 august). had a telephone  
conversation with the Imam of Norman ~~Mass~~  
~~the~~ from Shenandoah County Jail Minnesota

in Arabic

In this conversation\* the Imam says to  
Hussein AL ATTAS " I heard you were  
going on Jihad (Holy War) "

The conversation was recorded by Shenandoah  
Jail and the FBI made the translation.  
from Arabic to English.

This Jihad conversation will have gave  
enough reason and evidence for some  
FBI to allow Agent like Coleen Rowley  
to at least try to go to a judge to  
get a Warrant.

The Full transcript of AL ATTAS conversation with the Norman Imam has been on June 1 2002 classified as Secret.

The FBI is using Under Seal and secret classification to prevent the people to have a complete picture of the cover up.

How can this conversation become secret only on June 1 2002 after I started to expose their cover up.

AL Attas has not been accessed of any crime the Imam of Norman Mesq as well. How can their conversation threaten the US National Security ???

Indeed, it is a major risk, threat against the US cover up of September 11.

AL ATTAS testimony is crucial, vital to expose that the FBI knew about me and could have gone to a Judge for a warrant

AL ATTAS will enable everybody to know that the FBI is currently CONSPIRING to KILL BY LEGAL MEAN

ZACHARIAS MOUSSAONI TO COVER UP FOR SEPT 11.
