

In the Name of ALLAH

In the Name of US

Zacarias Moussarri V US government
Muslim godless government

Did the US organization responsible to
monitor satellite communication between
Afghanistan and the rest of the world
intercept in Spring (Summer 2000)
conversation from Kandahar ~~and~~ Afghanistan
and Azerbaijan involving Abu Taled.
Al Solhacei.

Reply to Government response Mr. Nocket
293.

ALLAH v ATBAR. Deception and
bad faith that ~~is~~ slogan and rule
of this prosecution.

As they admitted during the trial
of the Embassy Bombing in Africa
(see transcript) the US has been
monitoring the Kandahar Post and
communication office in Afghanistan
for many years.

In true line with Clinton Moral and
principle they are now "there is
no basis in law for the government
to issue the certification by the defendant (187)

Not only they lied when they declared previously that they had no recording of ~~Zacarias~~ ^{see 8-11} ~~Moemadani~~. But now they tell me that the law allow them to lie and there is nothing I can do about it.

The FBI has aided and abetted the 19 hijacker, HQ has prevented their arrest. at ~~haverden~~, airport, even the last airport security. and they are now entitled to prosecute me, to administrative justice. They knew by monitoring my internet communication. (X desertman, hotmail) my telephone call to Germany & that I was not part of the 19 hijackers. The FBI at my arrest find a ~~kenya~~ receipt dated of the 12 August. (8 & day before my arrest). & the ~~kenya~~ receipt has the precise date, time, and station use when accessing the Net.

Why they did not investigate if they thought I was a ~~Seper~~ Terrorist.

Because they already knew at FBI Headquarters to who I was in contact. They decide to arrest me because.

PANAM Flight school staff put to much pressure, ~~Blatt~~ and they knew that it will not alert the 19 hijackers. Whereas to arrest ~~Hanyou~~ the 19 hijacker that was also reported by PANAM will have alerted the 19 hijackers

All communication of Zaccarias Mouskouri held by the U.S must be disclose.

The FBI has facilitated the operation of the 19 hijackers.

At such they are part of the conspiracy.

Nobody can be Victim, Fudge, Feezy, Prosecution, Defendant and ~~Per~~ Criminal

Maybe Yes After all I am the one who say: "Everything is Possible in America".

TO ALLAH we Belong To ALLAH we Return.

Slave of ALLAH
