Zaccarias Moussawi v US

Muslim Godless government

It is about time to see the links?

Print out of bank wire of Ramzi.

Print out of Western Union transfer by Ahmad Sabeh

Via application print out of Ramzi with telephone
no 1 from Germany.

Motion to see what the scam is about.

ALLAH v ATBARA. Since Sept 11, the FBI
and the prosecution have been sponsoring
the most savage propaganda in US history
against a single Muslim.

They have convince the entire world
(except the Muslim of course) that I was the
20th hijacker because of the Money Trail.

So let see it. Why do they not give me
the print out of the German side of the
Western Union Money transfer filled by
Ahmad Sabeh?

Why do they not give me the Visa application
print out filled by Ramzi Bin al Shubh?

The FBI don't want me to carry forensic
examination of this document because

(286)

It will expose their biggest lies in the Persecution.
Ahmad Sabhet and Ramzi Bin Al Shubh
~~are~~ two different person.

Article 6 of US constitution say that the
Defendant should receive evidence against
him. Untel now I have receive nothing
because there is No evidence.

They fabricated the all thing and they
are deceiving the American by saying
that Ahmad Sabhet and Ramzi Bin Al Shubh
are the same person. They are not and
I will prove it.

Leonie Brankema must order that prints out:
of the Vera form application to the US by Ramzi
Bin Al Shubh; the German note of the Western
Union Money transfer by Ahmad Sabhet
to me. The two wire transfers received by Ahmad Sabhet
(on 30 and 31 July 2001) from Hashim Abdulrahman
in UAE.

I must see P.Hoto copy of original so
I can have of forensic examination of
hand writing.

Stance of ALLAH.
