Zacarias Moussawi V US
Muslim Godless Government.

No More Coleen Rowley Whistleblowers
" We believe that it is not appropriate for
US Marshal or other agent to be inside the
grand jury room during the defendant
testimony. " (FBI security for cover up,
my Paul Mc Nulty, 3 July 2002)
Anti FBI cover up motion to have free
access to my testimony and Freeman Bro.

ALCAH v AFBAR: In their War on truth
and openness the FBI and the prosecution
have filed UNDESSEAL their security
measures on my propose Grand Jury
testimony. Basically they do not want
anybody to hear my version of Sept 11
~~off~~ FBI cover up. The FBI headquarter
and prosecution in their response specifically
stated (see heading) that NO Marshall
NO FBI Agent (field of course) should
hear my testimony. After months where
they claim that I am the most dangerous
person on Earth they say: " we propose
that agents remain just outside the door to the
grand jury room and if a security issue

case, we would cease testimony and summon the
Marshals". No doubt that the security of the
US ^{SEC 8 - M.} government is more threatened by what
Zaccarias Moussaei has to say than by
Zaccarias Moussaei himself. I must be allowed
to present evidence of cover up (where is my Bug FAN!).
This court, through its supervisory power over
the ~~off~~ Grand Jury, can direct that certain
evidence be presented to a Grand Jury, when
the failure to do so would result in a clear
deprivation of due process or manifest miscarriage
of Justice. and (or a government cover up).
(at gov expense). Moreover this Judge can
order that the Grand Jury seat in public.
Taking account of the current effort of the FBI
and prosecution to prevent the American
and the World to know about the FBI cover
up and surveillance operation on Sept 11.
Leonie Brinkema must order public and
televise Grand Jury testimony of Zaccarias
Moussaei. Does the FBI have something to
hide (YES) Does Leonie Brinkema has
something to hide (YES).
Zaccarias Moussaei want to talk* about
CONSPIRACY (eg: TO MURDER.)
