LETHAL TACTIC: THE US GOVERNMENT IS TRYING TO SUPPRESS MY OPEN DECLARATION AGAINST SUICIDE

Motion against Government recodation of my TOTALE OPPOSITION TO SUICIDE and the right to Respond before ORDER. ALLAH UAKBAR. The ~~opress~~ US government is using ~~*~~ SECURITY REASONS TO TRY TO SENSURE MY DEEP ISLAMIC RELIGIOUS BELIEF THAT SUICIDE IS FORBIDDEN IN ISLAM.

On July 9 2002 I filed a Motion titled: Vicious Tactic where I describe all the measures taken to prevent my defense. (~~sensure~~ to write to European Court of Justice and Parliament, which until now has not be permitted for the 3 (three) week in a row. :

~~Motion~~ ^{die} to the increasing and ~~severely~~ severe nature of vicious tactic I indicated that the US govt might probably consider to kill me ~~since~~ ^{because} having claim that I was mentally unstable

the US will try to STAGE A SUICIDE FOR MOUSSAOU.
So I took and take the precaution to stated
clearly and unequivocally:

" TO ALL MY BROTHER, I WANT TO SAY THAT
SUICIDE IS FORBLINDEN IN ISLAM. YOU GO
TO HELL FOR EVER "

Now the US government is trying to ~~suppress~~ this
statement ~~was~~ on security reason. ~~Denouncing~~
Denouncing Suicide is a threat to US government.
(of course when you want to stage a suicide killing of
Zacarias Moussaoui)

Leonie Preinbender NJ must not ~~revoke~~ my ANTI
SUICIDE DECLARATION as it is a safeguard
for my life and it is relevant for my defence.
that the public know that I am against Suicide.
The issue of Suicide will play a part in Sept 11 trial!

the US government and FBI is also trying to
suppress of a vital witness in my favour in
their motion to suppress, to ~~suppress~~.

On June 21 2001 in my motion: Opposition to
Government Appointed Lawyer - - -

I gave the initial K and description of a
brother who is leader of an Islamic Center in
~~in~~ Manchester, England, who this Brother

KALAN acted as a go between in marriage
discussion with a Pakistani Sister that I visited
a few days before coming to the US.

This brother Kalan and these marriage

discussion can be very helpfull to make understand an honest person that I had ~~was~~ no intention to commit "Suicide" when I came to the US.

I did not give the full name of Brother Kaban so he will not be ~~bead~~ harass by the press. The FBI has the Name of Brother Kaban since 16 August 2001 (my arrest) as Brother Kaban was one of the few name with telephone number that appear in the notebooks seized on me at my arrest.

Brother Kaban can be a witness in my favour that why the FBI try to remove his name so he will not come forward to help me.

Finally, the US government and FBI have ~~is~~ insulted the CORAN (see my motion. US goe insulting the Book of ALLAH and want to seclude verse of Coran from my motion against VICIOUS Tactic by US goe namely Chapt 9 verse 11).

Freedom of religion and expression must be respected. Especially when I already use this verse in court and other.

As I was finishing to write this motion against a ~~see~~ letter request (not even a motion, so nobody know about) by the US now to DT Brinkema (which I received

today the 9 of July | I received also the order.
of the Bin Laden DJ executing all the steps
sensitive. It is becoming a complete setup
IT IS BECOMING A COMPLETE SETUP.
NOT EVEN A CHANCE TO FIGHT

MAY ALLAH SEND YOU WHERE you

Belong because Bin Laden :

~~Well known~~ (All redaction must be
Well known. rejected (too late).)

I must be given the credit to respond before you issue order.

"Then thereafter their return is
to the flaming FIRE OF HELL."
