MOUSSAOUI IS CRAZY BECAUSE HE
WANTED TO GET MARRIED.

WHEN HE ARRIVED IN NORMAN. (OK)

Motion to stop Leonie Brunkema to undermine
my chance to live by her smearing campaign.

ALLAH UAKBAR. In their constant effort to
remove me from my defense, Brunkema
and her lawyer have produce an interview
of an Imam in Oklahoma. If the ~~transcript~~
FBI report is to be believe, the American Imam ponder
about my state of mind because I asked him
to help me to get married.

MAY BE IT IS STRANGE FOR A MUSLIM TO
GO AN ~~AND~~ ASK THE IMAM FOR MARITAL HELP
~~RETURN~~ IN AMERICA BUT IN THE ENTIRE
MUSLIM WORLD IT IS THE FIRST PERSON
~~WHO~~ A MAN WILL GO TO GET MARRIED

That the kind of "historical" psychiatric
information the Stanley by ~~is~~ Frankenstein
doctor will use to declare me crazy

Having left the Britain on an unsuccessful attempt to get married it is possible that I was a bit in a hurry when I ask this Imam to help me when I just arrived IN NORMAN, OKLAHOMA.
AFTER ALL EVEN MUSLIM HAVE A HEART.

Of course the FBI did not want to declassified this interview because it confirm that I intended (and still intend) to have a family. A few might find a bit difficult to believe that even a Muslim fundamentalist will marry one day and tell himself the next morning.

SO YES WHEN YOU WANT TO GET MARRY IN THE MUSLIM COMMUNITY YOU ASK THE IMAM

Again Leonie Brumby is trying to exploit ignorance and prejudice.
