STOP THE MOCKERY OF JUSTICE

MY CELL IS FULL OF BOXES OF CD

Motion to have during trial preparation
and at trial access to evidence through
a Secure Internet Site.

ALLAH V ARBAR.. In its constant effort to win by cheating the US gov is flooding me with CD, Tape and more (blank). The quantity is so enormous already that nobody could even load all the CD before trial.

A Few months ago Public Defender wanted to open ~~a~~ Secure Internet Site ~~and~~. Now it is time to implement your only good idea. If before I was reticent because of fear about Hacker Now I have to be worried about ~~to be~~ Hack to Deal in this Comedy Trial.

Because I am the only one who know what to look for in the evidence

to mount my defense. I must be provided with
a secure internet connection to this site.

A simple telephone connection to my PC is not
too complicated for Alexandria Jail and
I am more than ready to pay for it.
(with the money they ^{US\$} stole from me.)

The Public Defender cannot try to refuse
to do this site because they already had
found the company and had it approved
by the FBI. Of course now they will
find excuses because they are not running
MY DEATH SHOW.

IF PUBLIC DEFENDER CANCELED THEIR
PROPOSED SECURE INTERNET SITE IT
WILL BE ANOTHER PROOF OF THEIR
HYPOCRISY. AND IT WILL EXPOSE THEIR
REAL AGENDA: DEAF FOR MOUSSAOUI

Cecilia Brinkman FINN IT USEFUL FOR HER
JOB TO HAVE AN INTERNET SITE MAYBE SHE
WILL UNDERSTAND THAT IT IS VITAL FOR
MY LIFE (THAT PROBABLY WHY SHE
WILL REFUSE).

THE FIGHT GO ON AND ON AND ON ---
Slave of ALLAH.
