State of Affairs. ~~Our~~ reply:

"I don't have the information you

I have less than 2 months before trial
I have ~~NO~~ access to the outside world

Lecrue Brinkema is organizing a No
Contender Day (No Contest) Fight.

I asked the Death Lawyer Government to
meet Professor Reza. They say it is not
possible they falsely claim that the

SAM probe forbade Professor Reza
to have contact with me and he must
undergo new "security clearance".
Despite the fact that I met him less than
a week ago at my last hearing.

Of course Professor Reza might have been
contaminated by my "Interpretation" of
Islam.

Lecrue Brinkema must convene a hearing
were the state of non defense preparation
