Zaccarias Moussawi V US.

DUNHAM FELONY.

Motion to convict Dunham for felony for
unauthorized recording my telephone
conversation on August 1, 2002.

ALLAH VAKBABA: Today I call Death
lawyer Dunham and Yamamoto to
have information on my case because
they refuse to put Bro Freeman on my
visitor list.

During the telephone conversation
Dunham was asking prosecution type
question so I asked him if He was
recording my conversation without
my knowledge.

Dunham admitted that he was
record my telephone conversation
without my knowledge and other
lawyer Yamamoto is witness of
this ~~serious~~ incident.

TAKING ACCOUNT THAT I KNOW THAT THEY
Dunham Mac Malion et... would for the
government to convict me & this is another
piece of the dirty trick employ by Dunham

IT IS A FELONY TO RECORD TELEPHONE
WITHOUT THE CONSENT OF THE PARTIES.

I NEVER AGREE TO ANY RECORDING BUT
THEY KNOW THAT I AM IN JAIL AND THERE
IS NOTHING I CAN DO ABOUT IT.

Leonie Brennan must issue an order to
stop Death Standby lawyer to record any
telephons or other conversation.

Dunham action is a Felony he ~~she~~ must be
submitted to the Court.

Of course he is part of the government and
everybody knows that it is the government who
make the laws in 9/11 case.
