UNCLE SAM IS A COWARD
HE IS AFRAID OF A CYBER WAR

Reply to the Chicken US gov opposition
to my access to a Secure Internet site
to prepare the Ultimate War Trial.

ALLAH UAKBAR: The Only way the
United Satan government can win this
NO CASE AGAINST MOUSSAOVI is by stopping
him to access to the evidence or I should
say the lack of it.

So the US government is using Uncle SAM.
(Special Administrative Measure) to
justify their opposition to me seeing
the ~~story~~ "story" on an Secure Internet
site. They put Uncle SAM on my back
to kill any chance for me to defend
prove the existence of an FBI cover
up on 9/11

Uncle SAM Grand Nanny Louise
Brenkema must order Uncle SAM
to leave Moessraoui Surf the Secure
Internet.

Case in Afghanistan were not equipped with ~~with~~ internet connection and captop so the US government should be able to manage the traffic.

Anyway, it will be interesting to have the First Terrorist Internet trial where internet users can review the evidence, explore theory, see FBI fac report. What do you think?

May Be (surely), No., National Interest. After all ~~time~~ nobody should know what the FBI knew before 9/11.
