Zaccarias Moazzami Khalid V US Government

DO YOU WANT TO KNOW

WHO WAS THE 20TH HIJACKER

ASK THE US GOVERNMENT TO

DECLASSIFIED THE PASSENGERS LIST

Material to get access to "classified" information that prove that the US government has fabricated the all case against Zaccarias Moazzami.

ALLAH V A&BMA. Since September 11 the all world is living under the Darwin theory of investigation. Namely, like with Darwin theory of evolution, an hypothesis, an allegation, which is repeated loudly and to saturation until everybody believe in it by the simple fact that everybody believe in it.

Here the hypothesis, allegation that there was a Muslim hijacker.

A Everybody who has seen the ruin of WTC wonder who have the FBI

395

could in less than 48h identify 19 ~~people~~ ~~with~~ ~~papers~~ person (especially those with false identity paper).

SECRET - CIA

Second the FBI has launch the great theory of the Missing Hijacker (MH) but a sound mind could ask:

~~Why~~ How the FBI know there were not 20? Why, in the first place, they had to be 20, (after all suicide bombers are not so easy to find(?))

Because the all would is NOW convince that they had to be 20 hijacker it will be useless here to challenge this claim. But ~~even~~ if for the sake of the argument I accept the 20° FBI theory I must be provided with the list of the plane passengers especially the one with 4 hijacker. I know more than the FBI all together about Bin Laden Group (falsely called ~~Al Qaeda~~ Al Qaeda). The FBI "MIGHT" have "miss" one hijacker. I must be given the INS file of any foreign passenger so I can look at the PHOTO. I might recognize somebody using false identity paper. Believe Me I have a precise I.D. in mind.

I am the only one who can identify a suicide bomber after all I am "supposed" to be one (of course not to be misunderstood as a statement of guilt or unguilt)

Standby ^{papers} have been put in place to prevent me to get access to secret information

I wonder if the Standing Lawyers
are going to pretend to be able to
recognize possible suicide bomber
of Ben Laden group? ~~Accepting~~
~~Ben Laden's concept to start to balance~~
~~the situation.~~

It is not the first time the FBI use
the secret evidence to try to cheat its
~~way~~ way out in a fabricated case
usually. The defendant lawyer expose
the trick here in my case Benham & co
~~have~~ are 100% behind the FBI to
convict me.

They have postpone the hearing on
secret evidence to the last week of August.
Less than a month before trial.

They, the government, standing lawyer
the Judge say I will not be able to
be at the hearing of classified evidence
because I do not have security clearance
and I threaten the National Security
For sure I am a threat to the US
government security. I am the
only one who can expose the lie
of Ashcroft & Co about the FBI
cover up.

An Hearing on Classified evidence
must be convene immediately

Leonie Bembema is playing the clock,
so I will never have the time to ask
Boca FREEMAN and Professor Royce
to investigate the case, in Britain
and Germany.

No doubt they must be a FBI secret file
on ATIF AHMED the UK MIS informant

I also saw some FBI photo of Bin Laden
group associate in the same apartment
~~and area~~ ^{place} in which I stay in ~~the~~ Malaysia.
I must be given info about the US surveillance
in Malaysia of Yezid Seiffat.

I am the Bro Se Lawrence, I must see
the evidence against me.

Dunham is no more than a ~~Group~~ Betty
Stace Peppel (Mrs Peggy).
