Zacarias Moussawi V US.

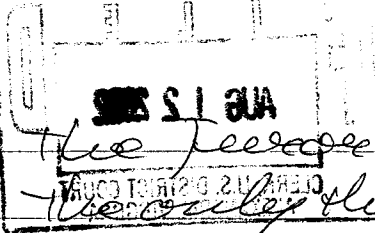

Meyahid v Censador.

DUMHAM MIND YOUR OWN.

PIG BUSINESS.

Motion to keep mad, out of control Stanley
Herd of Blood suckers, out of HALAC,
PURE PROSE LAND.

ALCAA V AKBAR. Leonie Breukema Herd
of Death lawyers are still in there trying
readiness to kill me by taking control
of my defense and presenting false US
government next Desert storm "9/11
the Iraqi connection." Except Director
Tenet CIA. Basically what they try
to make me agree in January is that we
should deny that Bin Laden did the 9/11
and claim an Iraqi Saddam/ATTA
link. They claim that this will confuse
the Jurors so ~~to~~ to create doubt.
~~The only people who will be confused are~~
No Doubt that Dumham & Co are confused to
believe that I will go for their Death plan

The Justice will not care less who are going 9/11
 The only thing in question, is for me to prove
 beyond ANY DOUBT THAT I WAS NOT IN 9/11

By presenting their 9/11 Saddam Hussein story
 the Pentagon is to give upon paying the foundation
 for the New Iraq Strike by US on the civilian
 Population. (MUSLIM of course).

So Pentagon, ask for a 2 month continuation
 change of date trial so he can have more
 chance to remove me from my defense.

I ask around noon 4 week ago a Report
 of the Status of defense preparation by
 Death Standby Lawyer. Nothing, nothing
 has been given to me. You must admit
 that he does not know anything about the
 case everything is in the hand of Pentagon.

They refuse to investigate Al Noor Sobhat,
 Hatif Ahmed, why the FBI did not investigate
 me before 9/11, (ambas receipt etc...) etc.
 They want to "drive me crazy". They
 having useless argument with them.

Leonie Brinkman must be reminded
 that Standby Lawyer have no authority
 because they have no responsibility

The Supreme Court of the U.S. has unequivocally rejected the appeal of a defendant against Stanley lawyer on the ground of ineffective assistance when the defendant go Pro Se.

When a defendant go Pro Se he waive his right to the assistance of counsel and therefore even if Stanley counsel

In other word, as Breinkema, and Newman know, if they take control of my defense they can do what ever they want because they have no legal responsibility. No Doubt about what they want: Death of MOUSSAROV. So As My Dear Brother Freeman told me the Stanley lawyer are a "Paper Tiger" (in this case Paper Big).

IF I had access to Bro Freeman and Professor Reza, I believe it is possible for me to minimize any delay to the trial (maybe none). They want to fool the world with their mountain of evidence. What I ~~really~~ want is the Secret evidence of FBI cover up

this Trial is all about Deception by the
Judge, & State Attorney General for the Government

Like in politics what matters it is not the
evidence but the agenda -

Then they want to talk about Ben Cohen,
Draeg et.. Me I want to talk about
that I was not in this operation.

They know they will lose if we talk
about the agenda of the case -
they don't have anything with the 19 Pro

So they need more time to try again to
kick me out of court.

Zerkhin you like to speak french, try this
one

"~~La Vengeance~~ La Vengeance est un plat
qui se mange froid"

Believe me, I am extremely patient and
steelbored (ask my Mum).
