"REQUIEM FOR MISSING PILOT IN ACTION
Alexandria Islamophony Orchestra
September 30. SOLD OUT, 1000 seats

Reply to US government self classified
MATERIAL cheating.

ALLAH U AKBAR. The US government has
reached a level of arrogance that make
them believe that everybody in this world
is either blind or stupid.

Basically, the US government is saying
that I SHOULD BE EXECUTED BECAUSE
THE EVIDENCES THAT PROVE THAT I WAS NOT
GUILTY ARE CLASSIFIED.

CLASSIFIED BY WHO? THE US government
of course, who is seeking my death.

Second, the US government false argument
is that I was told by their judge that I will
not see the evidence of a FBI setup and coverup
when I took charge of my defense.

Indeed ~~STAN~~ understood "now and then" that my Forcetta waiver was my life line. It was a waiver to death, A waiver from being tortured by the Coceptus Alexander orchestra.

~~the well known~~

The well reversed local trio: Beinkema, Neuhain and Kava's want to play.

"Symphony D 'VINE MORT ANNOUNCE'"

The fact that I say I "understand" at my Forcetta hearing when chief orchestra Beinkema told me that she will not allow me to see evidence in my favor, does not mean that I agree. I understand that they, the trio are cheating, lying to win this case. I understand that Beinkema is playing a nonfundamentalist interpretation of the US constitution.

Nowhere in the US constitution, it is said that in to exercise your fundamental right to ~~defense~~ of self defense you should renounce to the fundamental right to a fair fight, or fair trial.

Neuhain support of Beinkema eccentric and delirious interpretation of the US constitution is total. "Forcetta waiver include a waiver of the right to receive evidence" ~~the~~

Make No Mistake I am an EXTREME
FUNDAMENTALIST and I WILL BE
SUPREME.

ANY LAWYER WILL BRING THIS TO THE
SUPREME COURT OF UNITED STATES
(except an Ex conceipt ~~Pro~~ Prosecutor, Dunham.

SO YOU CAN COUNT ON AN PRO SE
FUNDAMENTALIST

The US government in denying me evidence
of the FBI set up & cover up. ~~say~~ ::
" IT promotes compelling government
interest "

No Doubt that Ashcroft and co have
a compelling interest in reverting me.
No body should open their Empty Secret
Box of Evidence. They have no case
against me except I HATE THEM and
Naturally THEY HATE ME.

In fact, the all case is in chaos because
your American Politician are
coward. You have no MAN NO LEAD.
~~After~~ After all your are a Democracy
so you can pass a New Law ~~to~~ in

that stated that anybody who support an act of war against America should receive the same penalty as if he participated in this act. That simple, logic, honest position. WHY DO YOU NEED TO LIE ALL THE TIME.

IF YOU WANT REVENGE, JUST SAY IT. NO NEED TO TALK ABOUT ~~THE~~ FREEDOM, HUMAN RIGHT, US CONSTITUTION.

AFTER ALL I BELIEVE IN THE JUSTICE OF AN EYE FOR AN EYE.

SO IF YOU WANT TO KILL ME BECAUSE MY BELOVED BROTHER KILL 3000 OF YOUR PEOPLE, NOTHING I CAN SAY ABOUT THIS, EXCEPT I WILL FIGHT TO VICTORY.

Slave of ALLAH.

WICKED SECRET ARGUMENT.

Here are a few example how the FBI is already using the secret, classified excuse to hide proof in my favor, proof that show an FBI cover up and set up.

First, on September 11, 9 of the hijackers undergo special and deep security check before boarding the planes. One will ask why the knife were not taken from them who gave the order to let them go in the plane what kind of background check was done especially on those already listed on the list of suspected terrorist, etc.

Response: This is Classified

A famous Movie Actor (until now nobody want to give me his name) was reported to spot the hijacker around beginning of August on a plane. As far as I know he raise concern to the pilot and then the ~~FAA~~ incident with the name of S hijacker (or G) was reported to the FAA (anyone author one will ask. Did the ~~FAA~~ reported to the FBI (no doubt about this), why the FBI did not investigate this 6, 9 11 hijacker one month before the crash.

Response Classified

At my arrest the FBI found Telephone Cellbase ~~stuff~~
Smart card for my 2 European Cellbase phone.
The analysis of the record of this smart
Cellbase phone card will show that I phone
almost everyday (2 or 3 times probably per day.)

ATIF AHMED, from TOOTING in London.
His name this name is written in the Note book
seized by the FBI, the ~~name~~ Name and address
of the brother of Atif AHMED in Pakistan was
found on me in a paper written by Atif Ahmed.
One will ask why the FBI did not investigate
ATIF AHMED especially because I have indicated
to them that he was a close associate of me.

Response: ATIF AHMED Turncoat (Maej
Allah forgive him) in 2000, He worked for
the M I S / FBI, so of course this is highly
classified.

Also at my arrest I was found with a Receipt
from Kinkas (internet) dated of 12 August, 02
~~with~~ and AL ATTAS will certainly ^{have} told the
FBI that the Day before my arrest we
went to Kinkas to access the internet to get
into contact with BILALAN group.
E address are: xdesertman@natmail.com
One will ask why the FBI did not investigate my
Kinkas internet communication. Why the FBI
(and the Standby lawyer) don't speak about xdesertman
add which I use in the home PC of Ali Mukaram's Secret
