9/11 CASTING WANTED

Motion to know the name and address of each "professional" witness, sixty days before the Parody of Trial play.

ALLAH v ATBAR. The United Satan government has prepared a "foreign" cast. Namely to bring actors (aka witnesses) from abroad, so nobody can investigate and at the end of the trial they leave the US so they can lie without fear of proper prosecution.

Moreover for the US witness it is essential that I could investigate them to see if they are not a bunch of fanatical ineffectual anti-Muslim sympathizers.

Leonie Benkema must not descend and express her deep Islamophobia

by refusing to give me at least 60 days.  
Indeed, Leonie Brunkema gave to Ullrich  
30 days in his simple ~~the~~ case but of  
course the victim of Ullrich was a Muslim.

Because I have no doubt that the Government  
and this court will try to deny me a fair  
chance to defend myself on security grounds  
addresses of witnesses will be given only to death  
standby lawyer. Whereas I will receive  
the name, the nationality and country of origin  
and residence). This is to avoid dirty trick  
by the government where it will bring an "Algerian"  
witness which in fact live for the last 20 years in UK.
