Zacarias Moussawi v. U.S.

Muslim v. Government

KEEP YOUR MOUTH SHUT

D U M H A M

Motion to stop Dunham playing the
superstar.

ALLAH v. ATBARA. ~~Which was redacted~~
~~in January~~

It is about time that Leslie Beenhoven
shut the mouth of her wannabe
superstar Dunham.

In January, I requested Dunham
and McHale (and the rest) to sign
a confidentiality agreement that they
will not discuss the case or me
to the outside world. I specifically
inserted on a No book deal on Moussawi.
At first Dunham says that it was no problem.

REDACTED

and that only way he was bound by professional
ethic. That was before he went on Holiday

~~When~~ When
he come back he ~~was~~ say when
I press him to give a written agreement

" I write want I want ahead my life ..
and even if I mention you in my book
it does not mean people buy the book because
of you."

No Doubt that American are interested
in the life of Dunham before he got my case.

Furthermore Dunham has been trying to be
on every TV and Radio he could grab.

In around march he told me that he
went to a lawyer conference and discuss
my case publicly to raise "awareness".

Leanne Beinkema must order Dunham
to keep his mouth shut and to stop
misrepresenting as my lawyer.

Dunham is not my lawyer he is my main
enemy without him the government will not
even go to trial.

Leanne Beinkema must order that Dunham
is not allow to discuss my case publicly,
TV, Radio, conference, books, news article
internet et.).

At least they could wait until I
am dead to make money out of me.

Slave of ALLAH.
