Zaccarias Maccoracini v US
Muslim v Crusader

DIRTY TIME DUNHAM.

Motion to get motion and information
on time.

[REDACTED] : It is has long been
the practice of Dunham to restrict
to the maximum information sent to
me about the case, the same being
true for the US gov & court of course.
But the favorite technique of Dunham
is to delay the sending of motion and
information so I cannot respond
in time. Moreover when I respond
it give the impression that I was
late and or not very interested about
the issue.

Yesterday ~~today~~ 15 October I
receive a letter date of the 9 October
02 ~~text~~ from Dunham to Laurie
Beunhemna, with an article linking

014

[REDACTED]
from the Washington post (10/09/17)

This information is of great importance for my case as Leonie Brunkema is pretending that [REDACTED] has nothing to do in this case.

Dunham wanted more than two weeks to send me this crucial article and letter.

It is not the first time ~~to~~ Dunham do this on important motion or info.

Leonie Brunkema must order captain Mitchell to date stamp letter from Cheater Dunham and she must order him to respect the false delivery certificate made on motion & letter.

Dunham is a professional liar & it should be stamped on his forehead
