LATEST DIRTY TRICKS
FROM **WORLD TOP CHEATER**

Motion to get a copy of the Top Secret
tape of Ramezi Bernalshubh that the
all world watched on Al Jazeera.
(except Zacarias Moussawi)

After more than 2 months the
United Satan sent me the Top
Secret of Ramezi.
Because they knew how important
is this tape they decided to play
for more time by sending a 100%
blank tape. Yes, Nothing at all.

The Tape of Roumyi is one step in the right direction, so Comrade you or co criminal must send me a full version of Top secret from Roumyi.

Moreover I become aware that our Dear Brother and Father in Jihad Abu Ayman made a good will tape, it must be provided with a copy as well as it is part of my defense that I was not 9/11 and that Al Qaeda is always preparing part

Two before shivering part one.

As we Muslims are going to enter a new year through the Blessed Month of Ramadan I want to share my joy at the discovery and complete conception of the American legal system.

Thank to beanie the United States have tasted the power of dictatorship. (under seal of course). ~~the only way to~~, Bush only need to change the United States Constitution, for life presidency (war time necessity) and you taste what we have been tasting for a long time.

Like with the WTC Tower it looks strong and solid but
