SMELLY DUNHAM

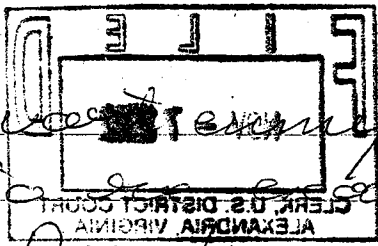

Motion to clear ~~the~~ Brother Mukharrem
~~from~~ deposition from the nasty
Dunham & Co

In a new under seal motion Dunham
the nasty megala is scamming to
take control of my defense by proposing
to conduct Mukharrem Ali

As I have not receive any meaningful
information on the case the Megala
is proposing that I should examine
first Mukharrem then the prosecutor
then him. A

As Dunham is ~~was~~ surely my 602

in this case I must be able
to ~~see~~ ~~see~~ ~~see~~ Meekaram after
Denham and the prosecution.

Denham has not abandon his idea
to smear to me as insane so it will
be crazy to let him have the last word.

The same is true in Bafana deposition
I do not care if the government of Satan
have the last word but it will be
against my fundamental interest to
leave Denham develop falsified
arguments under the illusion that
he is a standby ~~excuse~~ defense lawyer.

Therefore as pro se defendant I must
have the last word for my defense.

Slave of ACCAH.
