about the "context".

I must receive immediately

W3

After more than a year where  
 everybody could anticipate that  
 Malayan information will play  
 an important role in this case.

Meanwhile the media has not done  
 a single investigation in Malaysia  
 & surely waiting that "memory  
 fade" as Leovic told him at the  
 begin.

Leovic must send the Criminal  
 International Authority (CIA)  
 to hand over the file on the name  
 mention in Bafana FBI Report.

Being isolated from the world I have  
 no choice that to get my wife from  
 Criminal either CIA or Malayan  
 At the moment I have nothing
