LEONIE CONDUCTS

SECRET CIA

INTERROGATION HEARING

Motion to strike the secret under
seal hearing of the 14 November 02

As a true field general Leonie
Beinkema authorized the CIA
to take active part in the & secret
underseal interrogation of one
of the government most important
witness.

Even with my very limited knowledge,

of your fake Lynch system, I received
George Bush's name saying in the secret
hearing an "Oversight" for the
Senate committee that the CIA is
not PART OF THE LAW FIRM OF
THE US government.

Therefore, how can she allow the
CIA to take part in an Unethical
Hearing without my consent or
even my knowledge in defiance of
the most basic rule.

No wonder the witness refuse to
respond and deny knowledge of
Khalid Al Mirdhar, who was
under surveillance by the CIA
when I corner him into the fact
that he personally see
Khalid Al Mirdhar in Malaysia.
It was obvious to me that he was
being instructed not to respond
to my question on Khalid Al Mirdhar.

Moreover, the numerous breaks
taken by the prosecution under
the excuse of technological necessity
where secretly used by the CIA
to help the witness who was

in Singapore and was interviewed via satellite link.

The witness was asked by the prosecutor if he had received promises or threats from the FBI.

The witness was not asked about threats from the CIA.

Taking account that the interrogation took place in a foreign country, that I had nobody reliable to witness how it was conducted, that the "witness" face 20 years in jail without trial or charge under the internal security law of Singapore. And that CIA take part in this interrogation. LEONIE must throughout the entire proceeding as unreliable and unfair.

The CIA is a Commercial International Agency, who is known for lying, cheating, killing. So a mere reassurance from the CIA will not

be acceptable.

Due process must be respected.
I will not participate in a CIA
Trial.

Not only I face the "Judge", the
death lawyer Megala Dunham
and the prosecutor Nancy Hines
being the CIA. why not the

MOSAD (actually McNamara
and Zerkin and Lieberman and
all are part of the blood suckers
team.
