The World Top Criminal  
Nations is still playing  
dirty tricks.

Motion to get to know more than  
suggestion about Brother  
Ramzi Binalshikh and co.

Despite having both hand tie behind  
the back in my case the United  
satan is still afraid to confront  
the Slave of ALLAH in open court.

This country is so use to wage dirty  
war that the mere idea of a direct  
GAH

confrontation paralyse their entire system

For more than a year Bush and co  
have boasted about killing Massoud,  
now they are holding behind the  
Bush.

Bush must stop playing chicken and  
must come out and fight hand to hand  
combat with knife if he want to  
kill me.

No Doubt that a nation lead by a coward  
is a nation of coward. remember  
how he hide on 9/11)

The "honour" of Bush brought back to the  
Dach house is the Caesar style honour.  
(dish/a lie, cheat, deception, ~~treachery~~)  
(see 9/11 calculator.)

So enough of your dirty trick,  
it is time that the world count  
Kasbi, Abu Zubaydah and Al Ulu  
must be allow to speak to me.

Leonie Beunkema, you have  
covered the back of your master  
(al Qaeda commander in chief) best
