Zacarias Mousaoui United Satan of America

STOP PLAYING GAME

THE NEW DISCOVERY CELL

IS UNSEARCHABLE

Motion to get a descent cell to
search the mountain of discovery

Finally Today After more than
a year in a dark cave I was
brought out to a "bright cave."

The dirty trick of the United Satan
is that the mountain of ~~the~~ cartoon
and document fell the discovery
cell to the ceiling without any

operation. I cannot get a document
out the bottom of the pile because there
is no space to move the top of the pile.

because you have to order that they
give me a workable cell.

If you want come and see it yourself.
don't be scared I am a nice person
(behind a closed door of course.)

Moreover not surprisingly it is a dirty
trick because all the cell in my block
are empty. But that the way they
want to win battle in US, they
lying and cheating.

Anyway you can lie, you can
cheat but you cannot win
