ENOUGH OF ASHCROFT LIES

LEAK IN YOUR CIRCUS TRIAL

Motion to Jail Ashcroft for the contempt
of his slaves to the "Secret Hearing" on
January 30.

Since the beginning Ashcroft try
to kill me through the press.

Because of course turn a blind eye
and a deaf ear.

Because you should stay home
and you have no authority in
this case.

You make secret weaving so you
can let us want you want and
under the parody of Justice.

The world must know that you
are a herd of scavenger.

A brief must be sent to Alexander
Jaul so I can torture him ~~to see~~
After all torture is now part
of the American way of life now
