Mother to stop the pervert game of the
Farist Bureau on inquisition
against my distraught mother

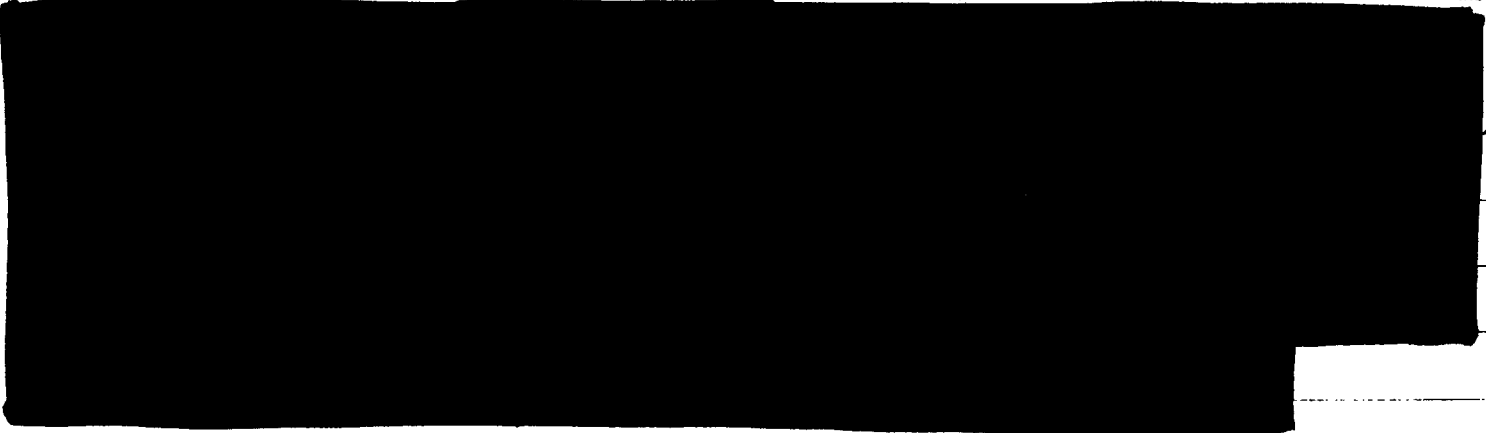

As the United States fail to psychologically
psychologically break me with
their 1 year + cage confinement
they have decide to break my
mother by playing game with
two monthly phone call to me.
They refuse for the past month
to allow it without no reason
except the political one.

Ascraft is unaware about leaks
of his disaster prosecution

become in her usual hypocritical style
did order them to make the connection.
But they know she was joking.

My poor mother is faced with
complete false information about
the case by her french lawyer.
(CIA / a government french government).

The SAM alliance we please call
so American must stop their
pervert tracks
