To force the United States to give me
the exculpatory statement of my
brother Mohammed (before March 28).
In, "Is Moussawi Small Fry?"
(March 18, 2003, CBSNEWS.com) that my
brother Mohammed has told to the
US official that I WAS NOT 9/11

Naee

"New information the Fed's themselves have received about Moussawi's role - or more accurately, the lack of any such role in the September 2001 "Attack on America" must be produced immediately as it contradicts the false declaration of the Persecutor & Ashcroft, FBI) that claim that Moussawi was ~~not~~ incriminated me in 9/11.

This Mohammed statement was needed immediately to demonstrate to the Court of Appeal that the government lies ~~and~~ (of course they know it) and it is crucial for a "fair trial" that I be given access to Moussawi (not to forget Mohammed).

This United States position that Moussawi send me money for 9/11 is a disgrace when Brother Mohammed declare that I was not 9/11.

Therefore become you must give "orders" to your master (Ashcroft, FBI) to hand me over Mohammed's declaration so I can brief the Court of Appeal (or appeal) on how the government lie to you Benjamin, and how he intended to lie to them. you all

know that of course but that the
name of your game, lie & cheat
to win.

Under your Breachy false
Mohammed declarations, must be
quinto me. But here an immediate
production must be order so the
court of Appall can decide on
Ranj. (I know they already have decid
their Chief Commander appointed them).
As the Jere (their say).

"Mohammed's comment will
make it harder for any court to
deny such access." (Is Maanani small Fly).
So believe, even my worst enemy
say it, so submit. Now!

Note: As another proof of the Mezaled
Demkhan, the Proccst Right Union
Mc Le Pedant, the Jew Zerkui
and Kamukozje Yammamate participa-
tion in the conspiracy to kill Zaccaria
Moussacoui is the fact that they don't
file any motion to get access to
Mohammed's declaration.
Probably they will send a letter
to their friend Spencer to see if he
has a spare copy. After all the

America will discover on Dec 1.
That MOUSSACOU I IS NOT SMALL FRY,
BUT DID FLY OUT ON 797-800.
