DENIED WITH PREJUDICE

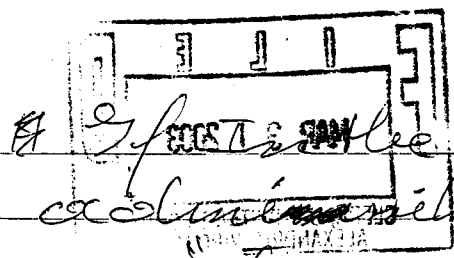

Emergency motion for proper
reconsideration of Leonie Denial
access to Brother Mohammed aliki
statements and Mustafa

Denial and playing dumb that
the way she do it!

As Leonie claim to find no reason
to expand the appellate record.
let me bang her head on the wall
so ~~if~~ she will get my points.

First the court of appeal is deciding
if I could interview Ramzi on
the ground that of so call Fair trial
This Fair trial apply to both
please quit a penalty.

If the guilty phase condition of admissibility of evidence and testimony are "stringent", it is not the case when you go to the penalty phase (death phase).

As you and the court of Appeal are a bunch of perverse readers to deny the most obvious, namely that you can have your cake and eat it (to accuse me of being with Ramzi and then deny access). I am sure you will find no difficulty to dismiss the following point:

- First the role and actions of Ramzi in his conspiracy are still to be defined and surely Mohammed's statement as Mastermind of 9/11 are relevant.

- The government alleged that Breathless Mustafa sent me money through Ramzi, therefore statement of Breathless Mohammed and Mustafa are without doubt relevant.

The government alleged that I contacted Ramzi in Germany (tel call), as Mastermind Mohammed will have

The United States has falsely claim
that Ramzi implicated me, taking
account that Mohammed was the
last named of 9/11 he will refute
his claim as we know who was in the
series of 9/11 operations.

Therefore Mohammed statement are
crucial to destroy the United States
position that I can be tried without
Ramzi testimony.

The Bad Faith of the Aircraft case
is beyond control, if it was not by
the grace of ALCAH, that somebody
leaks Mohammed statement
secretly I will never have heard
them.

Nothing can expose the corruption
of your man made system of law
where on one hand the Dags that
trying to kill ~~with~~ me were also
suppose to help me.

Mustafa statement are also
requested to establish what
was the relation with Ramzi
and destroy the United States
theory regarding who & why
~~the~~ money was sent to me.

Therefore Mohammed's statement well
establishes what Ramzi did, knew and
what was his relations if any with
Mustafa and

This will be important in both phases to
prove that the Aircraft case is just
like Clinton & co, Obama National born
case, Actual Aircraft is even more
disgusting as we claim to be a Christian
who will not announce my death
on Good Friday >
