REDACTION TO COVER UP  
THEIR LIES.

Motion to know how the United States is  
lying to murder me by "legal" means and  
to get access to unclassified transcript  
and motion that expose Ashcroft 20<sup>th</sup> lie  
and his latest new theory of the 9<sup>th</sup> plane to White House  

Leone is conducting her dirty business  
in case hearing so I will not know  
how they will try to FRY me on the  
electric chair.

For the first time I learned through  
Leone Memorandum opine that  
the ~~open~~ United States have shifted

The fat Negro Dumbham, the Racist  
Mc Le Redoubt Malian, the Jew Turk  
and the Fake Kamukage Yammamat  
did not of course tell me a word  
(in writing of course for I cannot  
stand their bad breath & smell).

Leanne vomitt that she produce  
a heavily redacted copy of the  
transcript of the Jan 30<sup>th</sup> secret  
meeting on Hawaii. In fact her  
slave clerk send me no more  
than white paper so I can ponder  
about what they say during their  
perverse gathering.

Now she send me her Memorandum  
opinion, this time ~~less~~ she forget  
to redact with her Satan master  
a legit talk about the 5<sup>th</sup> planis  
theory.

Leanne ~~must~~ give me the charge  
against me and produce to me  
"transcript" that capture the  
essence of the dirty meeting on Jan 30<sup>th</sup>  
to know what is the theory of Soda  
Government.

The 5<sup>th</sup> plane theory cannot be  
classified information as defined in CIP  
(Cheating Information Perverse Act).

You must order your bunch of parole  
board section to produce to me  
a report on ~~show~~ ~~show~~ the 5<sup>th</sup>  
Plane theory (unclassified of course  
on how the gov of Scotland will try  
to lie to their criminal justice.

Also your name must be "declassified"  
or I must question the essence of it.

It seems that the Dirty Scotland govern-  
ment with their slave lies will hold  
a declassification hearing on  
the day of the opening statement  
at the Zaccarias Massacres Trial.  
The all world will be able to watch  
Hollywood 5<sup>th</sup> Plane theory.  
But Massacres cannot get a review  
even when being the "stars" of the show.
