ASHCROFT NEW SUCK BUSTE

THEORY OF 5<sup>th</sup> PLANES

HITTING THE DARK HOUSE

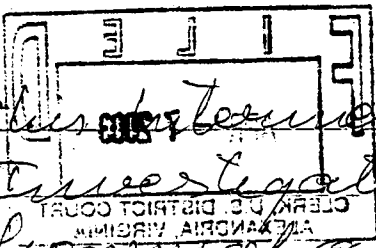

MUST BE ON THE NET NOW

Motion to force Ashcroft & co to connect me to the internet site to preview his Hollywood News 5<sup>th</sup> Planes ~~theory~~ (before it crash like the 20<sup>th</sup> Hyachere), on the ~~the~~ Dark House.

The United Satan (aka Beinhema, Fat Dum Han and Ashcroft (soon as Ashman) do all their dirty trick to stop me access the internet site

823

This ~~document~~ site is crucial so I can investigate the New Aircraft theories theory of a 5<sup>th</sup> Plane hitting the Dark House. As my restricted investigation on the old Aircraft theory of the 20<sup>th</sup> Hijacker has (not to my surprise) demonstrated that they were no connection <sup>with</sup> between the my great Martyr Brother, this means [redacted]

I have now to investigate the New 5<sup>th</sup> Plane story of Aircraft, As he understood that even the most stupid American will not buy his 20<sup>th</sup> Hijacker when presented with the evidence he decided to switch to an imaginary plane going to the Dark House, So now I have to investigate the invisible 5<sup>th</sup> Plane who never took off but will certainly crash like the 20<sup>th</sup> Hijacker. Really Doctor Patterson should examine Aircraft case. In the meantime I must be connected to the site immediately and the Fat Megala Numhiam must certify that absolutely all the info are loaded. (I know he is a liar but that the way they do thing around).
