THE SILENCE OF THE PIG

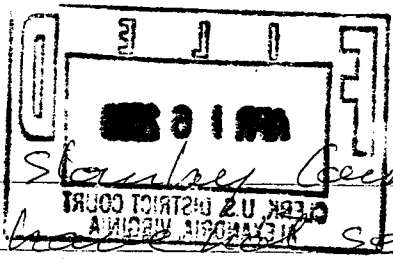

STARRING DUMHAM THE MEGALO

Motion to force Durdan to speak out on United  
Satan "Redaction to cover their lies"

As another proof of the total collusion  
between the Ex prosecutor Durdan  
and his Master government is Durdan  
silence on Redaction of pleading and  
transcript by the United Sadom & Comorah  
States of America,

As the United Satan ironically fastacted  
in their response to "Redaction to cover up their lies"

"Stanley Green (aka Blood section Dunham ca) has set forth a position on this pleading

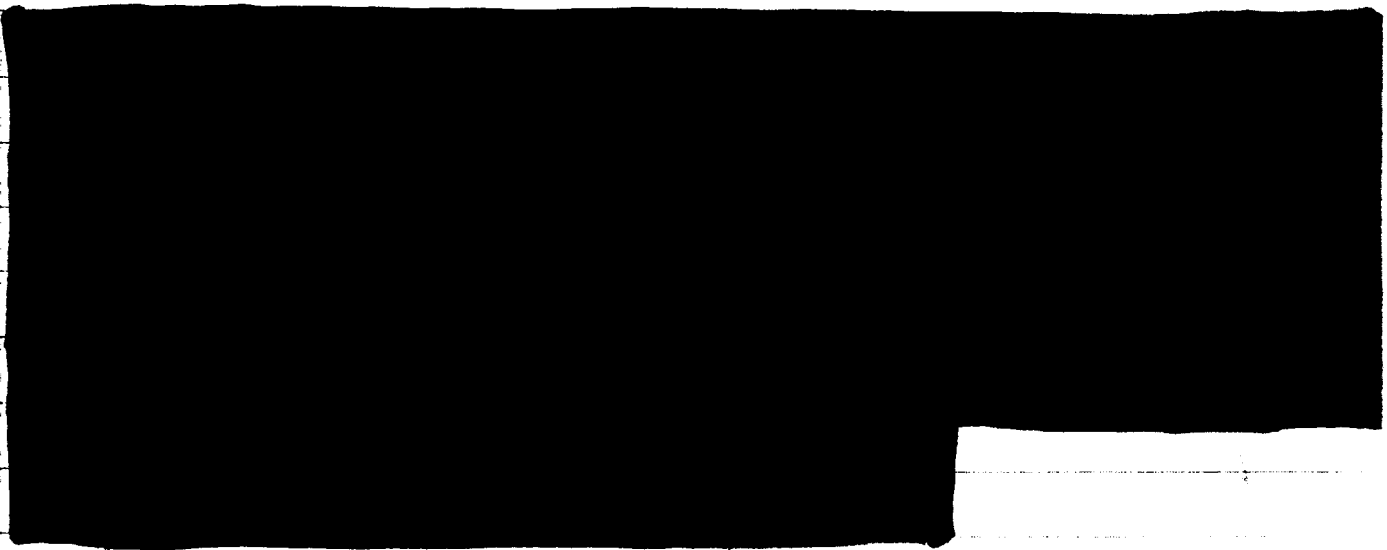

So why is it that Dunham does not support my motion as any clean standing lawyer would do, especially when the Death Judge say that she "agrees with the defendant's skepticism of the Government's ability to prosecute this case in open court. in the light of the shroud of secrecy under which it seeks to proceed"

Because is the hidden Task of the government to convict me and redaction are there to keep away from Zaccaria's Moussawi information that it could use to prove that he has nothing to do with 9/11 as the Mastermind Mohammed has declared.

Do not forget that Dunham use to claim that I was crazy when I wanted to defend myself against any participation in 9/11. Now that Brother Mohammed has vindicated my defense, Dunham and the United Satan are trying to keep secret any information that will destroy the New 5th Plane Pilot Mission in Action. (an Ashraf a Dunham production)

Therefore because you must order  
your appointee to speak out on how  
the government of Satan is using  
redaction to cover their track  
and lies.

Make no mistake I do not seek the  
help of this unclear unbeliever.  
I want to expose to my brother  
how the entire process is a scam,  
charade, take, coerce to kill a  
Muslim.
