Zacarias Mouradawi

Bush & Ashcroft

ASHCROFT DEMENTIA

MUST BE STOP!

Emergency strike for reconsideration  
for Zacarias Mouradawi access to  
Ramzi Binalshibh in the light of  
Ashcroft ever changing fantasia of  
the case (originally 20<sup>th</sup> Hijab  
then 5<sup>th</sup> Plane Pilot stranding the Mark  
then NOBODY KNOW and in the  
light of Mastermind Brother Mohammed  
statement of Zacarias Mouradawi  
NON PARTICIPATION IN 9/11.

Leone last January 30<sup>th</sup>  
Ashcroft took you for a ride

899

(and probably for a donkey as well.)

Indeed, in this case hearing (as loose lip  
sinks Ashcroft slip). Ashcroft

[REDACTED]. Therefore Ramzi testimony  
was not relevant as he <sup>(Ramzi)</sup> ~~did not~~ did not  
know of the existence of a 5<sup>th</sup> plane in  
compliance with the ~~cell~~ so call Cell structure  
of Terrorist organization according to Ashcroft.

Then on the basis of this argumentation you  
gave an order was out for the United States

[REDACTED]  
(aka CIA torture briefing), in which  
Ramzi has no lawyer ~~and~~, in which  
no third party is present to witness that  
Ramzi is not tortured, pressured, force  
to give Ashcroft response.

But all this should not and must not  
hold anymore as day by day the  
complete fabrication of this case by  
Ashcroft is exposed.

Ramzi must be physically present at trial because:

The "Top secret" Al Jazeera tape clearly establishes that Ramzi was in contact with Mohammed (not to forget that they were in Germany) and that Mohammed <sup>the</sup> was the US group leader did inform Ramzi of in a Email of 13 the other and ~~from~~ & plane. ( surely this will be in in the death phase at least).

Therefore Ashcraft false declaration that Ramzi incriminate me must be thrown out. ~~It is~~

Indeed Mastermind Brother Mohammed has stated that I was not part of 9/11.

This bombshell exculpatory proof by Brother Mohammed destroys Ashcraft Ramzi fabrication.

Now, the United States in their response to "Redaction to cover up their lies" have the audacity to declare the 5<sup>th</sup> Plane that they ~~is~~ "irrelevant" and "unaccusatory".

Not to forget that Ashtcroft never say that he "never described the defendant as the 20th Nyacker".

That Marwaner according to Yamamoto (Fake Ramikazi) the government of Sada has somehow ~~retracted~~ retracted Ashtcroft. Hollywood theory of 5<sup>th</sup> Plane in favor of "lets wait and see" at trial. Abite of "come with the wind".

As it is clear that on January 30 you gave your order on the basis of the 5<sup>th</sup> Plane ~~retract~~ government theory. ~~and that you~~ and that you ~~learned~~ learned Breunhena did not know of Malcolm's exculpatory statement ~~and~~ <sup>in</sup> contribution to Ashtcroft fabricated Ramzi ~~incriminating~~ ~~incriminating~~ statement.

You must ~~reconsider~~ reconsider your order because it is clear that Ashtcroft lie to you and the entire world.

Ramzi must be at trial, and ~~your~~ lawyer chosen by me must be present during pre trial interview of Ramzi.

As for the Court of Appeal of Sada for consideration of substitution I will respond shortly to it but it should be denied <sup>in a separate motion.</sup>

So again, because of the ever changing  
Ashcroft theory of his conspiracy to  
murder me and because Masterman  
9/11 statement that expose the total  
fabrication of Proenzi incriminating  
false statement and then the  
complete and total bad no faith  
of Ashcroft you must reconsider  
your January 30 order  
and convene a new opening  
hearing to reevaluate this case  
of Ashcroft.

Ashcroft you will lose your "political  
life in this Zaccarias Massacres"  
crazy case. [REDACTED]  
(political metaphors of cases).
