As an art prosecutor, Benham is doing  
his best to have Zacarias Moeessoussi  
sent to the Gay Chamber.

Indeed, despite the best exculpatory  
statement one could wish, from the  
Mastermind of 9/11 Brother Mohammed  
namely that Zacarias Moeessoussi was  
not part of 9/11, Benham insists in  
arguing that I had "only a minor"  
role in 9/11.

Ally No doubt that the Terror will give  
me a Minor Gay Chamber or Injection  
to reach the Highest Powerless ALLAH  
swelling.

In the mean time Death Judge George  
Brenner must push her cronie Benham  
and force him to submit a motion of  
reconsideration to access to Hamzi  
in line with Mohammed exculpatory  
statement (not to forget that I have been  
saying my NON 9/11 Status since the 9/11)  
Also Ashcraft: 20<sup>th</sup> ~~th~~ theacher, 5<sup>th</sup> Plane  
even changing must be expose as proof of  
bad faith (actual No Faith or Fairfeit

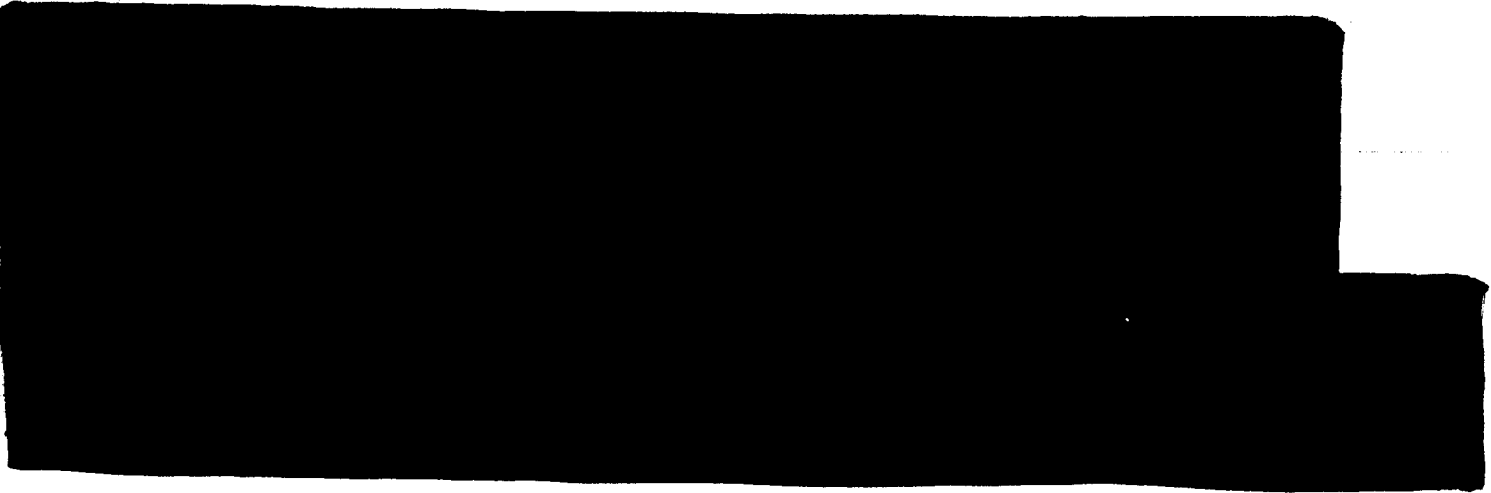

Marwan's Death Judge must force  
Fat Megala Benham to submit  
a theory of "Defense" in line with  
Zacarias Moessiaci Non Participation  
in § 111.

There is no Minor or Major Participation  
there is **NO PARTICIPATION**.
